

Write Your Way to Success

Content Coaching Power Sessions

What is it?

- Two 1 hour face to face coaching sessions to discover the power of your own words.
- Get personal feedback on your writing from a writer, business coach and trainer.
- Actionable intentions to move forward and be held accountable, keeping you on track.
- A safe space to discuss your writing challenges. A sounding board and opportunity to explore your thoughts and ideas, leaving you motivated and inspired to write.
- Improve your writing skills to grow your business.

Who is it for?

- If you are in business and have a desire to write, or are already writing and want to improve your skills.
- These sessions require a commitment to grow your skills and grow your business, but you'll be the one doing the writing!
(If you would rather pay someone to write for you, this is not for you.)

How does it work?

- Sessions can be in person if you are local to Bristol, UK, or over Skype.
- We book in two sessions, usually a month apart, I invoice you ahead of the first session.
- You get unlimited feedback (usually by email) on the content we've agreed, we can also work through it during the sessions.
- Sessions are private and confidential, so is the feedback.

How Much?

- £150 / \$195 *That's it!*

*T&C: Payment term 30 days from invoice. 24hr cancellation. Fully insured.
